Comments: As a U.S. citizen and taxpayer, I urge the Forest Service to approve the Pactola Reservoir-Rapid Creek Watershed Withdrawal.

Please do an Environmental Assessment (EA) and file a Finding of No Significant Impact (FONSI) when the EA has been completed. This will force the miners to withdraw.

Why do I request this action? Because I want out grandchildren -- the Lakota People's and yours and mine -- to have clean water, free of toxic pollutants, which would be impossible if mining is allowed to take place. Give the earth a chance!
