Comments: I want the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal.

Please have the Forest Service to do an Environmental Assessment (EA).

There should be a Finding of No Significant Impact (FONSI) when the EA has been completed. There should be no significant impact to the land once the miners are forced to withdraw!

The most important thing is to focus on water quality and cultural values, such as keeping the water free of toxic pollutants, respecting the sacred lands of the Lakota People, and preserving the site for recreation.
