Comments: I support Pactola Reservoir-Rapid Creek Watershed Withdrawal #NP-3479. I also support expanding the area covered by the withdrawal to include all federal lands in the Black Hills which provide so many Native and non-Native communities downstream with clean water free of toxic pollutants. We need to respect these sacred lands of the Lakota People.

Please say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal.

Please do an Environmental Assessment (EA) with a Finding of No Significant Impact (FONSI) when the EA has been completed.

It is incredibly disappointing that we have to keep fighting the same fight. Every bit of natural area and wilderness that we have left should be preserved and kept pristine forever. There is no commodity as precious as land unsullied by human hands.
