Comments: I write in support of the Pactola Reservoir-Rapid Creek Watershed Withdrawal.withdrawal. I also support expanding the area covered by the withdrawal to include all federal lands in the Black Hills. These sacred lands, which nourish so many Native and non-Native communities downstream with clean water, should be preserved and pristine forever. Please conduct an Environmental Assessment (EA) and make a finding of No Significant Impact (FONSI) when the EA has been completed. Respect for, and honoring of Native values and traditions has not been a strong suit of the US Forest Service: this is an opportunity to make amends!
