Comments: Dear Forest Service decision maker,

I urge you to say "yes" to the Pactola Reservoir-Rapid Creek Watershed Withdrawal. Please conduct an Environmental Assessment (EA) to determine if a Finding of No Significant Impact (FONSI) or an Environmental Impact Statement (EIS) is required. Regardless of EA or EIS the cumulative impacts should also be included in the document.

I support the withdrawal because it will be the most environmentally preferable decision from the perspective of water quality, respecting the sacred lands of the Lakota People, and preserving the site for recreation.

Thank you.
