Comments: Dear Members of the USDA Forest Service,

I am writing to request that the Forest Service support and say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal proposal.

I also requested the Forest Service do an Environmental Assessment.

In addition, I am asking for a Finding of No Significant Impact (FONSI) when the Environmental Assessment has been completed.

I support the Pactola Reservoir-Rapid Creek Watershed Withdrawal proposal as I believe it is critical to preserve the quality of water throughout the region and to preserve the quality of recreation use in this area.

Thank you for reading my opinion.
