Comments: I also support expanding the area covered by the withdrawal to include all federal lands in the Black Hills. Tell the Forest Service that these sacred lands, which nourish so many Native and non-Native communities downstream with clean water, should be preserved and pristine forever. After 500 years of genocide we are still approaching on the lands and territories of Native Americans who we have taken so much from, DO NOT DO THIS, remove the black hills from this decision, it is very sacred to the Lakota Sioux and other Native American Nations.
