Comments: Please say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal, including a Finding of No Significant Impact (FONSI) when the EA has been completed. .

It is most important that we keep the water free of toxic pollutants, respecting the sacred lands of the Lakota People, and preserving the site for recreation.

I also support expanding the area covered by the withdrawal to include all federal lands in the Black Hills. Tell the Forest Service that these sacred lands, which nourish so many Native and non-Native communities downstream with clean water, should be preserved and pristine forever.
