Comments: To Whom It Concerns:

Please say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal and do an Environmental Assessment (EA).

There should be no Significant Impact (FONSI) to the land once the miners are forced to withdraw!

I support the mineral withdrawal. Water is life and we must have clean water without toxic pollutants for good health. Cultural values will also be respected as the lands of the Lakota People are sacred.

Preserving the site for recreational use is also a bonus.

Thank you.
