First name: Savannah

Last name: Hawkins

Organization:

Title:

Comments: Please withdraw the Pactola Reservoir-Rapid Creek Watershed mineral Withdrawal because people need water free of toxic pollutants and water goes through the land everywhere and impacts people in other states and their food and air quality.

There also is a need to respect the sacred lands of the Lakota People, and preserving the site for recreation.

Please commit to a EA and release a finding of No Significant Impact (FONSI) when the EA has been completed.
