Comments: Dear U.S Forest Service.

I ask that you honor the requests of the Lakota people to protect their lands.

Here is a copy of their requests -- the most important thing we have in America is our beautiful lands which we must protect.

I vote yes to the following requests:

The Pactola Reservoir-Rapid Creek Watershed Withdrawal.

The Forest Service to do an Environmental Assessment (EA). A Significant Impact (FONSI) when the EA has been completed.

I ask that the water quality, cultural values, such as keeping the water free of toxic pollutants, respecting the sacred lands of the Lakota People, and preserving the site for recreation.

Thank you.
