Comments: Please say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal.

Do an Environmental Assessment (EA).

Please do a Finding of No Significant Impact (FONSI) when the EA has been completed.

Support of the mineral withdrawal is important to me because it is of the utmost importance for us to be good stewards of the land, maintaining water quality for humans and wildlife in the area, as well as respecting the sacred lands of the Lakota People, and preserving the site for recreation for future generations.
