Title:

Comments: I want the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal.

The Forest Service should do an Environmental Assessment (EA).

Asking for a Finding of No Significant Impact (FONSI) when the EA has been completed.

It really means a lot to me that water quality and cultural values are preserved, such as keeping the water free of toxic pollutants, respecting the sacred lands of the Lakota People, and preserving the site for recreation.
