Comments: To Whom it May Concern,

I'm writing to request that the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal. In addition, I want to advocate for the Forest Service to do an Environmental Assessment (EA) and find no significant impact for withdrawing miners. This is important to me because it's way past time to put the land and the people who are good stewards of the land ahead of profit. Our earth needs us and you are on the frontline of that change. Thanks for your time!
