Comments: Please note I want the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal. An Environmental Assessment (EA) needs to be done, and a Finding of No Significant Impact (FONSI) when the EA has been completed. This may seem counterintuitive, but there will, in fact, be no significant impact to the land once the miners are forced to withdraw!

I support the mineral withdrawal because we need to keep the water free of toxic pollutants, we need to respect the sacred lands of the Lakota People, and we need to preserve this site for recreation!

Thank you.
