Comments: I am asking the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal.

Furthermore I am requesting that the Forest Service do an Environmental Assessment (EA).

When that EA is completed, I am requesting a Finding of No Significant Impact (FONSI). Once the miners are withdrawn there will , in fact, be no significant impact to the land.

My primary reason for support of the mineral withdrawal is to improve water quality by keeping the water free of toxic pollutants. I also believe this is important to respect the sacred lands of the Lakota People.
