Comments: I would like the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal.

and want the Forest Service to do an Environmental Assessment (EA).

I'm asking for a Finding of No Significant Impact (FONSI) when the EA has been completed.

The reason I support the mineral withdrawal is to preserve water quality for all people, and keeping the site for recreation, as well as preserving sacred cultural land of the Sioux Nations.

Best regards,
