Comments: I feel that it is very important for the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal.

The Forest Service should do an Environmental Assessment (EA).

I would like to ask for a Finding of No Significant Impact (FONSI) when the EA has been completed. I am supporting the mineral withdrawal because of water quality and cultural values, such as keeping the water free of toxic pollutants, respecting the sacred lands of the Lakota People, and preserving the site for recreation.
