Comments: I am writing to ask the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal, and to do an Environmental Assessment (EA).

When the EA has been completed, please provide a Finding of No Significant Impact (FONSI) .

I support the mineral withdrawal because it is imperative we keep the water free of toxic pollutants, especially as the climate crisis and the impacts we face in our daily lives worsen. It is also important that we respect the sacred lands of the Lakota People, and preserve the site for recreation.
