Comments: I am requesting that the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal. Additionally, I am recommending that the Forest Service to do an Environmental Assessment (EA).

Once the EA is completed by the Forest Service, please recommend ask for a Finding of No Significant Impact (FONSI) when the EA has been completed.

I support the mineral withdrawal due to respectting the sacred lands for the Lakota People and the long-term potential impact on water qualiity.
