Comments: I ask that the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal and do an Environmental Assessment (EA). I want a Finding of No Significant Impact (FONSI) when the EA has been completed. This may seem counterintuitive, but there will, in fact, be no significant impact to the land once the miners are forced to withdraw!

We must keep the water free of toxic pollutants, respect the sacred lands of the Lakota People, and preserve the site for recreation.
