Comments: Good Morning, we are writing in Support of the Pactola area mineral withdrawal. Please say Yes to the Pactola Reservoir-Rapid Creek Watershed Withdrawal!

And, we also support Expanding the area covered by withdrawal to include All Federal lands in the Black Hills. These sacred lands should be preserved and kept clean forever, for Water Quality and recreation for All.

Please just do an EA (Environmental Assessment).

And Please give a FONSI when the EA is completed.

Thank You for protecting sacred lands And Clean Water for the many Native and non-Native Communities who live downstream.
