Comments: I am asking the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal.

I would like the area covered by the withdrawal to include all Federal lands in the Black Hills.

I would like you to do an Environmental Assessment, resulting Finding of No Significant Impact (FONSI) when the EA has been completed. There will, in fact, be no significant impact to the land once the miners are forced to withdraw. So let's make this fast!

I am asking you to respect the sacred lands of the Lakota People, something this nation has never done. This finding will also preserve the site for recreation.
