Comments: I respectfully request that the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal.

I request that the Forest Service to do an Environmental Assessment (EA). Once the EA is completed, please require a Finding of No Significant Impact (FONSI).

The primary reasons I support the mineral withdrawal are to protect water quality, keeping the water free of toxic pollutants, respecting the sacred lands of the Lakota People, and preserving the site for recreation.

Respectfully,  
Trina Chen
