Comments: Greetings. I have only visited the Black Hills, but I know how important the area is to the local Lakota people. I want the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal. I also support expanding the area covered by the withdrawal to include all federal lands in the Black Hills. Sacred lands like these nourish so many Native and non-Native communities downstream with clean water, and they should be preserved and pristine forever. Not only are unspoiled waters like this sacred to Native people, they are a treasure the Earth can ill-afford to lose.
