First name: Shodo

Last name: Spring

Organization: Mountains and Waters Alliance

Title: Founder

Comments: I strongly support the withdrawal of public land from mineral leasing and mining. It is absurd to destroy the Black Hills, a national treasure and a sacred space for its original peoples, for short-term gain and profit by private companies. After it's done, they will have the money and we will have nothing except ugliness and destruction.

Protect this sacred and beautiful land. Protect all of it.
