First name: Lukia

Last name: Costello

Organization: Spark Filmmakers Collaborative

Title: Executive Director

Comments: This land must be protected. These are sacred lands, which nourish so many Native and non-Native communities downstream with clean water, should be preserved and pristine forever.

This is the right thing to do. Human and non-human life must be protected. We are seeing the increased consequences of not doing so by previous generations. This cycle must be stopped.

Thank you.
