Comments: First, I am asking the Forest Service to say YES to the Pactola Reservoir-Rapid Creek Watershed Withdrawal.

Next, I am asking the Forest Service to do an Environmental Assessment (EA).

And last, I am asking for a finding of No Significant Impact (FONSI) when the EA has been completed.

I implore you to keep this area pristine by keeping the air water free of toxic pollutants. This is land that is sacred to the Lakota People, and it should be respected as such. Others also use the land for recreation. It should be protected.
