

Data Submitted (UTC 11): 6/15/2023 4:32:01 PM

First name: Tokahe

Last name: Spotted eagle

Organization:

Title:

Comments: The protected area should be expanded and I support the mineral withdrawal and there should be an EA (environment assessment) i and also a lot of people a lot a lot of people are worried about the environment and out water that we get and the cultural resources the water quality is a big one but not the only thing
