Comments: Dear U.S. Forest Service Representatives,

I am reaching out to support the 20-year mineral withdrawal of 20,574 acres of public lands within the Pactola Reservoir-Rapid Creek Watershed in Pennington County, SD.

Please consider including tributaries above Pactola Reservoir, the Rapid Creek Watershed downstream of Pactola, and the entire Rapid Creek Watershed as it impacts this blue-ribbon fishery and water quality for fish, wildlife, hunters, and Black Hills area residents alike.

As a concerned supporter of Backcountry Hunters & Anglers, I appreciate you taking these comments into consideration.

Sincerely,

Sean Fahey
