Comments: To Whom it May Concern,
The need for clean water unites us all. I support the withdrawal of the Pactola Reservoir-Rapid Creek Watershed from settlement, sale, location or entry under the public land laws, location and entry under the United States mining laws, and leasing under the mineral leasing and geothermal leasing laws, subject to valid existing rights, for up to 20 years. I ask you to consider future generations and the increasing need for clean water sources.
Thank you,
Ciara Pares Kempf
