Comments: Yes, I support the Pactola Reservoir-Rapid Creek Watershed Withdrawal #NP-3479. I ask for the protected area to be expanded. I also ask for an Environmental Assessment (EA). The cultural resources of the area are valuable and priceless. The water quality is of immense importance. As a naturalist and sound healer, I have experienced first hand the natural beauty and priceless importance of this area. Please do everything possible to protect this entire area and watershed !! I am sharing the progress on this with my growing circle of fans! We Are All Related.
