Please do an Environmental Assessment (EA).
Please give a Finding of No Significant Impact (FONSI) when the EA has been completed.
I care about water quality and cultural values, such as keeping the water free of toxic pollutants, respecting the sacred lands of the Lakota People, and preserving the site for recreation."
I also support expanding the area covered by the withdrawal to include all federal lands in the Black Hills. These sacred lands, which nourish so many Native and non-Native communities downstream with clean water, should be preserved and pristine forever."
