

Data Submitted (UTC 11): 6/21/2023 12:22:45 AM

First name: Julia

Last name: Bernal

Organization: Pueblo Action Alliance

Title: Executive Director

Comments: We stand in solidarity with the Lakota people who do not want to see continued mining and extraction to their sacred mountains. USDA and USFS must come engage in Free, Prior and Informed consent with the Indigenous people that are most impacted whether that's impacts to public health, the ability to steward the environment, or other ceremonial and traditional purposes.
