

Data Submitted (UTC 11): 7/7/2023 9:44:38 PM

First name: Colin

Last name: Cooney

Organization: Trout Unlimited

Title: Montana Representative

Comments: Thank you for the opportunity to review the Lolo National Forest Draft Assessment and Species of Concern list. Trout Unlimited does not have any substantive comments at this time, but will continue to follow the land planning process and look forward to reviewing and commenting on the Needs for Change and other future documents.
