Comments: I would like to state what a great benefit this land will be used for. This land to be part of Rainbow Trail Lutheran Camp will be used for Youth and adults as well .What an enriching experience for those at camp to access this land. For families and children of all ages, they can enjoy hiking, camping, and all sorts of outdoor activities.They do respect the land, and take care of it.This land will be of good use and for great things that connect the Spiritual world to nature.
