First name: Steven

Last name: Lohse

Organization:

Title:

Comments: I guess it just doesnt make sense to alienate and anger a group of good people for no reason. The group : Familes including children that ride to moose park to sled and cook out . The snowmobile riders that use divide road to acess good fun play areas. The business that depend on the traffic for income. The better alternative and is easy to see when actually researching it is the moose creek road plowing . Please consider it !
