Comments: As an 11-year-old I love snowmobiling and winter. It's fun to go out and go fast on my snowmobile. I like to say I like to go fast and go faster. We go snowmobiling with my dad's buddy. I really like to go with my family. I'm going to get a new snowmobile so I can ride in the powder more. Also, winter is my favorite season! :) So don't close it or I will be sad. :(
