First name: Fred

Last name: Bailey

Organization: Montana Snowmobile Assoc.

Title: President

Comments: MSA applauds your efforts in attacking the much needed logging project that you are proposing near the Kings Hill forests. We fully support your efforts but ask that you take in to consideration our snowmobile grooming program in this area. We ask that you not plow on the Divide road from Dec to April. Plowing this road will result in the west trails being closed to grooming, greatly limiting snowmobile opportunities. Using Moose Crk road would be preferred , minimizing impacts, benefiting all.

Thank you for your consideration,

President

MSA
