Comments: I moved to the Big Timber community in 2004 when I accepted a position at East Boulder Mine. I have worked at EB for 19 years. My son was in kindergarten when we moved here and graduated from Sweetgrass County High in 2017. I have been involved in day to day operations from day one and can attest to the stewardship that has been applied to the local environment. I strongly support amendment 4 and hope that East Boulder mine can continue to provide for the people of this community.
