First name: George

Last name: Lacy

Organization:

Title:

Comments: Please stop the madness. You have restricted and closed most of this area that I have been using for many uses for over 45 years. At my age (70) my primary recreational use is snowmobiling and 4-wheeling, and I have tried to obey the increasing restrictions. When will it end? To be totally clear, I am opposed to this "new" plan. Hear me roar!
