Comments: Thank you for providing the opportunity to comment on the Kootenai winter travel plan scoping documents. I really appreciate that the public was provided the opportunity to see the minimization criteria at this early phase.

The Forest Services 2015 Over-Snow Vehicle rule creates a paradigm where areas are closed to snowmobiling unless designated as open to use. I very much enjoy snowmobiling in our National Forests.

Thank you for considering my comments. I look forward to seeing more access for snowmobiles.
