Comments: There should be NO domesticated sheep/cows/etc. on these lands to begin with. Loose the sheep + cows

Killing native predators to protect sheep or cows should be prohibited. Loose the sheep + cows.

The SDEIS fails to disclose how many native predators-such as black bears, mountain lions, or coyotes-are killed in the High Uintas Wilderness to protect domestic sheep.

The SDEIS also fails to disclose the effects continued sheep grazing has on the potential for recovering native wildlife such as wolves and grizzly bears.
