Comments: As a native Montanan I am in favor of this logging project to reduce fire hazard and maintain a healthy ecosystem.

The proposed exit route with the logs is what concerns me.

Plowing the Divide Road is a major safety concern for winter recreation. This is the main route from the snowmobile, sled dog, skiers parking lot to the west side.

Grooming the trail system for Kings Hill then becomes an issue. The groomer cannot drive on a plowed road. If Divide Road is plowed this increases fuel, time to groom trails, and maintenance. All additional costs the Grooming Association cannot afford.

Logging is vital to our forest, please consider an alternate exit with logs.
