Comments: Will the roads be improved? Will public schools and the services be funded? Will the natural purity and beauty be maintained? If not what is the POINT?

You slippery folks should look at the WEEKS Act!

TREEBEARD said 'ta-runa runa rom!' Hoom! orcs wore warned!

If you can't make the environment better do not try to fix IT!

It is not broken!!

If this read you might understand how strongly WE feel!!!
