First name: James

Last name: Bowles

Organization: Ossipee Valley Snowmobile Club

Title: Liason

Comments: The proposed logging activity in the area of the Liberty Trail provides a good opportunity to further the NH Bureau of Trails' proposal to build a connecting trail from the Liberty Trail area to Route 16 in Albany. The NH Bureau of Trails would then connect from Route 16 to the snowmobile Corridor 19 trail. This would replace the connection that was lost a few years ago when a critical piece of property in Tamworth was sold and subsequently posted. Since that time, there has not been a connector from the Wonalancet trail system to Corridor 19.
