Comments: I think this expansion is a great idea.

The benefits:

- Less traffic on local roads by eliminating the need to run shuttles all day between the two resorts.
- The ability for customers to have access to a singular, bigger resort.
- Bear Mountain and Snow Summit are already on the same lift ticket/owned by Alterra.
- The terrain to skier's left of Bear Mountain Express is great and is already a popular out-of-bounds spot.

The cons:

- None? Seriously what are they? Alterra is paying for it. Local residents will benefit from the decreased traffic and improved resort.
