Comments: this is awesome news! I took my wife and daughter up this past March 23' for my daughters first time to ski. She loved it! we all had a blast. this is a great mountain and now with the expansion being added, I think this will offer even more great terrain. However, If I may... think of a name. don't call it no-name. think of a cooler name. how about "pow pow basin" or free refills basin, or black bear basin, double dippers basin. etc..

overall, this is awesome news!
