Comments: To whom it may concern,

Please allow the expansion of using e- mountain bikes to more areas within the Jackson vicinity. The sport of e-mountain biking is expanding, and it is here to stay. We would love to see our town grow with this expansion by opening up more areas to allowing this flourishing sport to thrive in Jackson. Please consider my request. I am more than happy to answer any questions or concerns you might have. As a community, we should be able to let this sport grow into what it is in other communities. And do so in a way where conflict is extremely minimal.

Thanks!
