First name: Jonathan

Last name: Cawley

Organization:

Title:

Comments: The view from my porch looks directly at Mt. Whiteface 1 mile to the North. I have been hiking, biking and running to and around many of the trails in Sandwich and Wonolancet for 60 years.

The largely unaltered landscape of the area is one of the great appeals that bring people to recreate and enjoy this special place. Add my name to the list of those opposed to the plan as written.
